| 4971    | Infectious Waste Contingency Fund   | Sec. 44-93-170  | Infectious Waste Fees   | Land and Waste Management                | The department shall establish an Infectious Waste Contingency Fund to ensure the availability of funds for response actions necessary at permitted infectious waste treatment facilities and necessary from accidents in the transportation of infectious waste and to defray the cost of governmental response actions associated with infectious waste. After funding of the Infectious Waste Program Fund, as provided for in Section 44-93-165, the Infectious Waste Contingency Fund must be financed by the remaining fees imposed pursuant to Section 44-93-160. The fees credited to the Infectious Waste Contingency Fund must be allocated as follows: an amount equal to two-thirds of the fees must be deposited into the fund and an amount equal to one-third of the fees must be held in a separate and distinct account within the fund for the purpose of being returned to each county in which the fee imposed by Section 44-93-160 is collected | Funds retained/used by agency for appropriate program expenditures  | 45,291           | No                             |
| 4974    | Uncontrolled Sites Fund             | Sec. 44-56-160; Sec. 44-56-215; 44-56-170(D); Reg 61-79.264.78(c); Reg 61-79.265.78 ( c ) | Uncontrolled Sites Hazardous Waste Contingency                        | Land and Waste Management                | Large Quantity Generators producing more than 100 tons of Hazardous Waste per year, pay an annual fee of \$1,000 plus \$1.50 per ton for hazardous waste generated not to exceed a total of \$15,000. Large quantity generators producing less than 100 tons of hazardous waste per year, pay an annual fee of \$1,000. Small Quantity Generators are assessed an annual fee of \$500. Hazardous waste incinerators are exempt. Funds are used for response actions at uncontrolled hazardous waste sites and management of the program.\$1/ton in excess of 50 tons in storage per calendar quarter.  | Funds are deposited into the Uncontrolled Sites Trust Fund and are used for response actions at uncontrolled hazardous waste sites and management of the program. | 790,127          | No                             |
| 4977    | Infectious Waste County Entitlement | Sec 44-93-170   | Infectious Waste Fees   | Land and Waste Management                | Infectious Waste fees collected split into a separate fund for the sole purpose of being returned to the county in which the fees were imposed   | Funds held and distributed to counties upon request   | 23,181           | Yes                            |
| 4984    | SUPERB Fund                         | Sec. 44-2-40 and Sec. 44-2-60   | State Underground Petroleum Environmental Response Bank (SUPERB) Fund | Underground Storage Tanks                | Fee assessed at 1/2 cent per gallon entering the state for rehabilitation of releases from underground storage tanks containing petroleum or petroleum products. Tank fees of \$100 per year was increased to \$100 each calendar year beginning January 1, 2012 until the fee reaches \$500 per calendar year and remain at \$500 until \$36 million has been deposited to the Superb account from the tank fees. No portion of the increases can be used for administration of the program or for orphan sites. The fees will then revert back to \$100 per tank per year when the \$36 million has been deposited. This is the result of Bill H.3270 passed in 2010 amending the Superb Act.  | Funds are deposited into the SUPERB Account and used for the cleanup of UST releases and management of the program.   | 20,297,479       | No                             |
