Re: Annual Water Quality Monitoring Report dated April 9, 2019
Marsh Lumber Company Site
Florence County
Voluntary Cleanup Contract 16-5858-RP
File #414343

Dear Mr. Collins:

The South Carolina Department of Health and Environmental Control (Department) has reviewed and approved the referenced monitoring report. Continue conducting the pilot study in 2019. Once the semi-annual groundwater monitoring report has been reviewed, then a meeting should be set up to discuss the progress of this site.

The semi-annual groundwater monitoring report should be submitted, to my attention, on or before November 11, 2019. Please feel free to contact me with any questions or comments at (803) 898-0722 or at kuhnkm@dhec.sc.gov.

Sincerely,
