Re: ABC+ Pilot Study First Quarterly Performance Report dated December 10, 2019
WestPoint Home Clemson Site
Oconee County
File #20395

Dear Mr. Lanier,

The South Carolina Department of Health and Environmental Control (Department) has reviewed and approves the first quarterly performance monitoring report. The Department has noted that not all the indicator parameters were included in the report. The three parameters that were missing are: nitrate, sulfate, and chloride. Please make sure all parameters list in Table one of the pilot study work plan are included in the appropriate quarterly performance reports.

Please submit the semi-annual performance monitoring report, to my attention, on or before April 17, 2020. Please feel free to contact me with any questions or comments at (803) 898-0722 or kuhnkm@dhec.sc.gov.

Sincerely,

Kimberly M. Kuhn, Project Manager
State Voluntary Cleanup Program
Bureau of Land and Waste Management
