

A delay in the reporting of an individual's death during this pandemic is often attributed to ensuring the death is accurately classified based on the most up-to-date federal guidance for determining a COVID-19-related death. Visit the COVID-19 Deaths in South Carolina chart on the SC Testing and Projections webpage for all deaths by date of occurrence.

| Date of Death | County | Age | Confirmed or Probable |
|---------------|-------------|-------------|-----------------------|
| 9/22/2020 | Anderson | Elderly | Probable |
