

**S. C Continuum of Care Program  
A Resource for HOPWA Subrecipients**

## Overview

Continuum of Care (CoC) Programs are designed to promote a community-wide commitment to the goal of ending homelessness. The U.S Department of Housing and Urban Development provides funding for efforts to support nonprofits, states, and local governments quickly rehouse homeless individuals and families in order to minimize the trauma and dislocation caused by homelessness.

South Carolina is divided into four Continuums of Care programs. CoC programs may be used as an additional resource to assist **HOPWA (Housing Opportunities for Persons With AIDS)** eligible clients prevent homelessness and obtain stable housing. Programs may include emergency shelters, permanent supportive housing and rental assistance.
