

**Community Violence Intervention and Prevention Funding
 FY2024-RFGA-DC-403
 Questions In Regard to the Request for Grant Applications (RFGA)
 Submitted as of 5:00 PM, July 24, 2023**

1	Q	How are applications submitted? Will there be an online link to the application on the website? Is the budget narrative form on the website part of that application? Also, will there be more detailed guidelines released to potential applicants, such as an official request for applications?
	A	<p>Applications can be mailed in to: SC DHEC – Public Health Contracts Bureau of Business Management 2600 Bull Street Columbia, SC 29201</p> <p style="text-align: center;">OR</p> <p>Applications can be submitted in person to: SC DHEC – Public Health Contracts Bureau of Business Management Columbia Mills Building – 4th Floor. 301 Gervais Street Columbia, SC 29201 See additional physical address information in RFGA.</p> <p>The online link to the application is https://scdhec.gov/sites/default/files/media/document/FY2024-RFGA-DC-403_0.pdf . Yes, the budget narrative form on the website is a required component of the application. All the application’s guidelines are stated within the application.</p>
2	Q	What are the format requirements? How should the submission be prepared? Are there margin and/or line spacing (single or double) requirements? Is there a page limit?
	A	There are no format requirements for the application. The application submission information can be found on Page 14 of the application. There are no margin or line spacing requirements. There is no page limit.
3	Q	Please assist me with clarity on the award amount. Is the award amount up to \$40,000, per calendar year, over three years or is the award amount up to \$200,000 over three years?
	A	<p>An applicant can apply for an award amount between \$10,000 - \$40,000. If awarded, the applicant may receive that amount each year for a three-year project period.</p> <p>Funding will be dependent upon performance, availability of funds, and service priorities. Annual award amounts may increase or decrease.</p>
